# Are you a little \$HORT This Month?

Come out from behind that cloud. Throw away that map to the poor house. Light up that old face with a smile. We have the solution to your problem! Look! Just you round up all those things around your house that you don't use any more. You've got lots of them . . . like that old stove you replaced, and the furniture in the attic . . . and how about the kids' outgrown toys and the camera you never use. When you get all those things rounded up, call FA 8-4000 (that's the number of the Herald Want Ad Department) and let the friendly girl who answers help you write an ad offering those things for sale. Now, that's easy enough, isn't it. And pretty soon, when the phone begins to ring and people come to buy the things you want to sell, you'll have the cash you need to pay all your bills and then some! Why, you're getting much taller already!
